

FEE EcoCampus Model A

Green Flag Award Criteria Checklist

The FEE EcoCampus Committee

- ☐ The Committee meets at least four times a year.
- ☐ External representation in the Committee. (Suggestion: External representation: Local councils, NGOs, Government agencies etc.)

Environmental Review

- ☐ The Committee and selected members of the wider campus committee in consultation with external representatives plan and carry out an environmental audit of the campus for a certain theme or themes.
- ☐ The results of the audit are discussed and analysed by the Committee, selected members of the wider campus community and external representatives.
- ☐ The audit results are collated in one document and displayed on the notice board and website.

Action Plan

- ☐ An action plan drawn up by the Committee is included in the campus development plan with cost implications in prioritising specific targets.

- ❑ The Committee, selected members from the wider campus community and external representatives agree to take responsibility for implementing the action plan within a specified timeframe for completion.

Monitoring & Evaluation

- ❑ The Committee, selected members of the wider campus committee and external representatives review progress against set specific targets.
- ❑ The Committee's reporting makes the whole campus aware of the progress of the action plan.
- ❑ The whole campus community is given the opportunity to evaluate its effect through a discussion and debate platform.
- ❑ The Committee meets to review progress and analyse the data collected. It builds on successes and decides on remedial action when activities are not proving successful.

Curriculum Work

- ❑ The campus has a named individual responsible for Education for Sustainable Development.
- ❑ The campus has a curriculum plan purposively integrating FEE EcoCampus activities across course curricula.
- ❑ Issues related to the Sustainable Development Goals are explored through course curricular activities.

Informing & Involving

- ❑ Information about FEE EcoCampus activities are disseminated to the external community around the campus.
- ❑ All entities (all departments/faculties) of the wider campus committee are involved and are an integral part of the FEE EcoCampus activities.
- ❑ The external local community and international collaboration are involved in the FEE EcoCampus activities on campus.
- ❑ The FEE EcoCampus Committee student members or other volunteer students from campus write reports of activities for the local press.

Green Charter

- ❑ The whole campus is given the opportunity to make suggestions for what they believe should be included in the Green Charter.
- ❑ The Committee draws up a code from the suggestions collected and presents it to the campus for approval.
- ❑ The Green Charter is displayed through various media at various places on the FEE EcoCampus.
- ❑ The Green Charter is reviewed every year to make sure it remains relevant.
